### **BACKGROUND DETAILS**

NICARAGUA ORGANIC 5 DE JUNIO SHG EP is sourced from family-owned farms organized around Cooperativa de Servicios Múltiples 5 de Junio RL, a cooperative operating in the municipality of Las Sabanas within the departments of Madriz, Nicaragua. The cooperative has 127 members who, on average, cultivate 5 acres of coffee. The cooperative strives to access the international coffee markets to give small producers a greater earning capacity from direct trade relationships. In addition to coffee, the cooperative has established income diversification programs including the cultivation of organic chia.
