BACKGROUND DETAILS

This coffee is sourced from Cooperativa de Caficultores de Dota R.L (CoopeDota), which was founded in 1960, and has 850 members living throughout the canton of Dota within the province of San Jose, Costa Rica. CoopeDota strives to maintain a diversified business model selling roasted coffee for national consumption, operating a coffee shop and hardware store, and providing guided tours of coffee farms. CoopeDota also operates its own carbon neutral mill specifically designed for sorting high quality micro-lots, which helps to improve quality, increase earnings from coffee sales, and strengthen producer livelihoods.
