BACKGROUND DETAILS

Ethiopia Queen City Harrar 4 Natural GrainPro is sourced from family-owned farms in zones unique to the Harari region, where the Great Rift Valley meets the Ahmar Mountain range, east of Addis Ababa, Ethiopia. Queen City Harrar is produced by Abdirashid Abdullahi, the nephew of the legendary Ogsadey who produced the world-famous Horse coffee brand. This full-natural sundried coffee is sourced from select areas of the region and the cherries are meticulously hand sorted, dried, milled, and hand sorted again to near zero defects to bring out a cup quality matching the glory days of the Harrar Horse coffee brand.
