BACKGROUND DETAILS

India Cherry Robusta 17 Screen A is sourced from family owned farms located within the Sakleshpu and Coorg districts in the state of Karnataka, India. Coffee is cultivated on the eastern slopes of the Western Ghats mountain range, a UNESCO World Heritage Site and one of the most biologically diverse places in the world with more than 5000 species of flowering plants and 508 different species of birds. Many of the farms have been in operation for nearly one-hundred years, passed down through the family from one generation to the next.
